

**BRUMMER WOODFIX**  
**STOPPING – ACID CATALYSED GRADE**  
**PRODUCT DATA**

Product Code	100621 - 1Kg colour range 101621 - 10Kg colour range
Description	WOODFIX is specifically formulated so that the applied product can accept most stains and coatings, before it is fully cured. WOODFIX is a superior grade fast curing filler to repair imperfections in the surface of wood products. It contains inert ingredients and hence can be over-coated, when still wet, with acid catalysed or most other lacquers and stains. It comes in a range of natural wood colours and once dried can easily be sanded to give a smooth blemish free surface. For interior use. WOODFIX can be made water resistant by applying a suitable overcoat. WOODFIX is water-based and does not contain solvents, formaldehyde nor carcinogenic substances.
Specifications	Specific Gravity      2.1 Viscosity              Thick paste Colour                  Meranti, Pine, Teak, Light Oak, Kiaat, Imbuia Sapele, White, Natural and other colours.
Application	Use a flat blade spatula and work in well to fill any imperfections in the wood surface. Allow to dry and sand smooth with sandpaper.
Superior Features	*Unlike conventional woodfillers, WOODFIX will accept most stains and coatings without having to be fully cured/dried. Because of this feature, WOODFIX is extensively used in fast moving production lines, where waiting for stopping to cure, would create bottlenecks. *Fast drying. *Easy flowing application with blade spatula. *No sagging once applied. *Excellent adhesion to wood surfaces. *Wide range of more than 25 natural wood colours.
Packaging	1Kg Plastic tub 10Kg Tin
Note	For a Material Safety Data sheet and technical data refer to website.

**DISCLAIMER**

Seller makes no warranty, express or implied, concerning the product or the merchantability or fitness thereof for any purpose, except that the product does not infringe any valid patent. No claim of any kind shall be greater in amount than the purchase price of the quantity of product in respect of which damages are claimed. In no event shall the seller be liable for incidental or consequential damages, whether Buyer's claim is based on contract, breach of warranty, negligence or otherwise. Onus is on the customer to ensure that the product purchased is suitable for the purpose intended, and to test apply all products prior to bulk application.
